Why the move?

- More room that allows continued growth.
- Better layout: all exhibitors in one huge hall & separate rooms for clinics and presentations
- More exhibitor-friendly venue that is equipped to receive exhibitor freight. (They even have fork lifts!)
- WiFi access with in-house tech. Free for exhibitors because of Rebeats buy-out.
- Venue provides an EMT during show hours plus 24-hour security.
- Better partnering opportunities; in 2016 we will partner with the guitar show!
- More convenient location: Five miles from O'Hare Airport; only a 15-minute drive! Twice as close to downtown Chicago.

2016 CLINICIANS

Rebeats is very proud to announce that we have already confirmed three world-class artists to present Clinics and Master Classes in our new digs! We are *really* excited about this group of artists. Please take the time to visit YouTube to get to know a little about these folks; all three have some incredible YouTube features! 2016 will be at the Odeum!

www.odeumexpo.com

The Odeum is well known to Chicagoans. It is DuPage County's Largest Sports and Expo Center, with 130,000 sq feet of unique indoor event space. It is only 5 miles SW of O'Hare Airport with access to all the major tollways, and only 15 miles from downtown Chicago. (Compare to our previous location 40 miles from the airport and 45 miles to downtown!)

This move involves some partnerships that bring new dynamics and dimensions to the Chicago Drum Show! The Odeum has an active social media presence that will partner with the show to bring unprecedented attention to our event. Additionally, we are proud to announce that our good neighbors of the last few years will also be moving to the Odeum in 2016: The guitar show!

For many years the 4 Amigos Guitar Shows have been America's oldest, biggest, and best consumer guitar events. The Chicago edition has been held near the Chicago Drum Show for the last few years and always on the same weekend. Together we will make the Odeum *the* place to be for every drummer *and* guitarist!
